

Q1. What do you think our highest priorities should be?

Safety and Security – All six groups listed as priority

Auditorium – All six groups listed as priority

Comments:

- Seating options in auditorium should be intimate and have at least 600 seats
- Balcony – move expensive; but it creates a nicer environment
- Locate near rehearsal rooms for moving instruments. Ease of movement!
- Need to have a scene shop
- 650 Seat Auditorium
- An auditorium brings in community, one-third of students are in the band and other groups would use it too.
- 600 seat minimum – band and drama impact our school of choice numbers, they are marketing tools. Don't build the auditorium too small. Consider dinner performances
- 600 seat auditorium

Air Conditioning – All six groups listed as priority

Auxiliary Gym – All six groups listed as priority

Comments:

- Create mat space have 3 rows of bleachers, 3 court spaces and a curtain
- Include a track
- Need more than a “court with hoops.”
- Remodel other spaces in the school after new spaces are built

Buses – Three groups listed as priority

Misc. Ideas and Comments:

- Storage for instruments (Group 3)
- Press box for soccer and baseball (Group 2)
- Indoor track (Group 2)
- New band room, convert band (Group 2)
- Make the weight room larger (Group 2)

- Wrestling space (Group 2)
- Sound system in gym (Group 2)
- Storage barn for all sports (Group 2)
- FFA (Group 2)
- Track (Group 2)
- Stadium – visitor seating, press box, concessions, home bleachers looking into the sun (Group 2)
- General maintenance (Group 2)
- Build a new competition gym? (Group 2)
- Indoor track (Group 2)
- Batting cages (Group 2)
- Locker rooms for football (Group 2)
- Referee rooms (Group 2)
- Weight room that the community can use (Group 2)
- Quality spaces accommodate growth (Group 2)
- Band storage and larger practice space (Jazz band) (Group 5)
- First impressions matter for S.O.C. at middle school and high school, elementary is outdated (Group 5)
- Press box, concessions (Group 5)
- More locker rooms (Group 6)
- Weight room (Group 6)
- Shelter barn by track and baseball for inclement weather (Group 6)

Q2. What do you think our community will support?

Group 1 – Community will support an increase, do it right.

Group 2 – Community would support 1.5 to 2 mills, do it right.

Group 3 – Millage increase ok.

Group 4 – Would support an increase

Group 5 – Will support 1.5 o 2 mill increase

Group 6 – Would support 1.5 mill increase at the minimum

Comments:

- We need to be respectful of the impact on our community.
