SOCCER PASSBACK

Laingsburg High School students have once again teamed up with the US Soccer Foundation Passback program. The Passback program collects new and gently used soccer equipment such as: soccer balls, cleats (indoor and outdoor), shin guards, and goalie equipment. This program donates equipment collected to communities and teams that may not be able to afford them. Passback describes gently used as "any equipment that is not ruined, torn, or excessively dirty-really anything that could be used again. Equipment that is accepted includes jerseys, shorts, shin guards, goalie jerseys, goalie pants/shorts, goalie gloves, socks, cleats, soccer balls, and bags. The foundation prefers jersey sets but will accept non-matching logos, numbers or names on the jersey."

JUMP ROPE FOR HEART

We would like to thank everyone who participated in our Jump Rope for Heart Fundraiser. Our school raised \$15,368.82 for the American Heart Association to help fight heart disease and stroke. Wow, that is amazing!! Students learned the importance of developing heart-healthy habits, jump-roping skills, that being physically active can be fun, and that by raising funds to support research and education they help save lives across the country and in their community. Thanks to everyone for their "heart" work.

A BUSY SPRING FOR BUS DRIVERS

As you all are aware, the district is severely short on bus drivers. We have 12 bus routes. We have 12 regular drivers and **1 sub** for those bus routes.

The district has tried everything to recruit more drivers including advertising on school signs, inside school buildings, on social media, on various websites and around town. We still only have 1 sub for all 12 bus routes.

Springtime is always a busy time for bus trips including spring sports trips and field trips. Please be advised that we will have a number of standing buses during the next two months. We apologize for the inconvenience this causes.

As always, we would love to speak to anyone interested in driving school bus for our district. Please contact Jackie Bobb at 517-651-6381 with any further questions.

BREAKFAST AVAILABLE

Did you know that your child can have a nutritious breakfast right here at school? For \$1.50, elementary students can purchase breakfast. It is served from 7:40 – 8:00 am daily in the cafeteria.
