Dear Families,  
It's that time of year when traditions and special events bring us together in unique ways. All of us at ECEC and LES have enjoyed these days with your children. We've stayed true to academic learning, and also enjoyed singing Christmas songs, building gingerbread houses, and showing generosity by donating toys, food, and household items for those in need.

Now we wish you happy holidays and warm, memory-making days with your family! We'll look forward to being back together in January!

## DEFINITION OF A STANDING BUS

When you receive the call about your child's bus 'standing' in the morning or at the end of the day, have you ever wondered what in the world that means? Bottom line – it means we do not have a substitute bus driver. Substitute bus drivers only need to be available from 6:40 a.m. to 8:00 a.m. and 2:30 p.m. to 4:00 p.m.

Have you ever considered becoming a substitute bus driver? We pay for all of the training and licensing you need to become certified, and we also pay you for the time you spend being trained. Once you are certified, you have the opportunity to work with our great students when your schedule allows. We are in need of five

substitute drivers at this time. We need you NOW. Please call Jackie Bobb at [517-651-6381](tel:517-651-6381) ext 1029. Maybe you don't have the schedule that allows for being a sub driver, but you know someone who does. Please share this information.

Thank you,

**Jackie Bobb**

## IMPORTANT NOTICE TO PARENTS

The parking and bus staging areas in front of our school have been separated to keep our students and parent/staff parking away from the bus staging area. This was designed solely for the purpose of maximizing student safety. Lately, a number of parents have been dropping off students in the bus lane before school begins. **Please support us in keeping our children safe by not using the bus lane for parking, picking up or dropping off your children.** This lane is for **buses only**.

Also, please remember that if you have an end of the day change for your child, please call the office before 2:30 pm so that the message can be delivered to the classroom prior to the dismissal bell.

Your cooperation is appreciated.

## GIVING TREE

Thank you once again for helping us reach our goal on filling everyone's requests. Your generosity is much appreciated!

## COLD WEATHER REMINDER

Winter months bring colder weather. Please remember to send your child to school with outdoor winter clothing. We have outdoor recess every day with the exception of days when the wind chill dips below 0°.
