OCT. 18 ~ ECEC FALL PICTURE DAY

A NOTE FROM PRINCIPAL FREEMAN

Dear Laingsburg Families,

We are in our fourth week of school and students are doing a great job of demonstrating our 3 PBIS Behavior Expectations of being Safe, Respectful and Responsible. Before Labor Day, students rotated to different teachers to learn expectations for walking in the hallway, eating in the cafeteria and playing on the playground. Our staff has been acknowledging their efforts by giving them red tickets in which they put into a container by the office. Each morning I have the privilege to honor 3 students whose tickets have been drawn for demonstrating Safe, Respectful and Responsible Behavior. Students come down to the office to get a prize. It is exciting to see their smiling faces as they enter the door. As we accumulate tickets, students work toward the goal of earning “All School Celebrations.”

Another way we acknowledge our students is our “Leader of the PACK Board”. Teachers choose one student a week to acknowledge for doing their best work in making good choices, following the expectations and being kind and considerate to their classmates. We are so very proud of our students and how they contribute to the warm, positive atmosphere of our buildings.

At ECEC our Kindergarteners are working to “Fill the Bucket” of other students by demonstrating kind and respectful behavior. Through their good choices, all students’ work to earn “All School Celebrations” such as art projects, trips to the park or extra recess. Each Friday, the classroom teacher chooses “Star Students” for their Safe, Respectful and Responsible Behavior.

Students are called to the office to get their picture taken, pick a prize and receive a certificate. Fridays are also special because all kindergarteners go out in the hallway to participate in the Hokey Pokey or Chicken Dance. This is something all students enjoy and look forward to.

We at LES and ECEC strive to be intentional in what we teach, model and reinforce. We know that students learn best when caring and encouraging adults create a safe and supportive environment for students to learn and grow. It is our hope that you experience this feeling as you enter our buildings and walk down our halls. We are committed to helping all students succeed.

Thank you for entrusting your children to us,

Sheila Freeman

DOOR SECURITY SYSTEM

Having trouble getting into the building during the day? The good news is **we have enhanced our security at the elementary** as well as the rest of the buildings district wide! The doors automatically lock in the morning and unlock at the end of the day. To get in after they have locked for the day you will need to ring the doorbell and be buzzed in. Below is a picture of our doorbell. It is on the wall to the right of the main door. The button to push has been circled. Once you push the button someone from the office staff will greet you over the intercom and unlock the door.

PACK RUN

This week students learned about the PALS Pack Run that will be held during school on October 5th. PALS is a group of parents, teachers, administrators and community members that

share a goal and commitment to enriching the learning experiences of elementary and middle school students in Laingsburg. The Pack Run is a fundraiser with a goal of raising \$15,000. If PALS reaches or surpasses this goal, there will be no other PALS sponsored fundraising events during the year! 100% of the profits from this event will go back to the elementary and middle schools.
